

# Plan a weekly budget by filling out the chart.

## Weekly budget

Name: \_\_\_\_\_

Date: \_\_\_\_\_

## What I Will Earn

How I Will Earn Money	How Much I Will Make

Total Earned: \$ \_\_\_\_\_

What I Will Spend Money On	How Much It Will Cost

Total Spent: \$ \_\_\_\_\_

Subtract the Total Spent from the Total Earned. This is how much you will save this week.

$$\begin{array}{r} \$ \quad \quad \quad \text{Total Earned} \\ - \$ \quad \quad \quad \text{Total Spent} \\ \hline \$ \quad \quad \quad \text{Total Saved} \end{array}$$
